

# The Day Most of Our Pastors Went to Sleep

by Jeremy James

---

“For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse”

- Romans 1:20

---

"Hey, I hear you guys are going to start eating insects. And you say I'm the bird brain!"

**Totalitarians...  
never lose their spots.**

**A lot of people will disappear  
under the New World Order.**

**"Which one of us  
is in the room  
today?"**

**This is you before God came along.**

**"I don't care  
how cold it gets -  
I'm not wearing  
a mask."**

**"Do you think I should  
stick my neck out  
and say something?"**

**"Heavens no!  
Leave that to  
someone else."**

**"Psst, don't look now,  
but that drone has  
been following us  
around all day."**

**"What's that humming sound?  
- drones, HAARP, 5G, the  
generator at the quarantine camp?  
I give up."**

**Possibly the only milk that  
will be available under the  
New World Order.**

**Both bungee jumping and  
vaccines will be mandatory  
under the New World Order.**

**"Somehow I think things are not  
going to go back to the way they were."**

**For the wind passeth over it, and it is gone;  
and the place thereof shall know it no more.  
- Psalm 103**

**All is well at the pastors' conference.**

**The Surveillance State never rests.**

The old tricks won't work any more.

"We may be imaginary..."

"...but we're  
NOT on a  
spinning ball!"

**Under the New World Order,  
if you are still allowed to move,  
you'll have nowhere to go.**

**"So you thought I'd  
gone away, did you?"**

Such decadent expressions  
of individuality will be forbidden  
under the New World Order.

"Hey, being a turkey ain't easy  
y'know. You take the shots and  
eat the grubs. If it wasn't for  
Thanksgiving I'd probably  
chuck it all in."

**A desperate recourse  
by those who forfeit  
their electronic pass.**

**"Don't tell anyone,  
but I got that  
tracking device  
off my ankle."**

**"Yeah,  
so I heard."**

**Mythical creature mentioned  
in many ancient legends.**

**A fight breaks out at the food distribution center.**

**Look as much as you like  
- they're all empty.**

**"They don't see that  
their own government  
is the enemy."**

**If it walks like a duck...**

**"And when they turned on their microwave device, our guys didn't stand a chance!"**

**He never went away. And with today's technology he's more dangerous than ever.**

**"It was so much easier in the old days. Now I need a permit to fly."**

**"Sssh, they might hear you."**

"Oops, this is awkward.  
I hear he only takes 'cash',  
whatever that is."

Upon earth there is not his like,  
who is made without fear.  
He beholdeth all high things:  
he is a king  
over all the children of pride.  
- Job 41

**Survival Rule #1:  
Keep well away from public roads.**

**Survival Rule #2:  
Know where you're going.**

**The Good Shepherd**

**This beginning of miracles  
did Jesus in Cana of Galilee,  
and manifested forth his glory;  
and his disciples  
believed on him.  
- John 2:11**

**Master, we have toiled all the night,  
and have taken nothing: nevertheless  
at thy word I will let down the net.  
- Luke 5:5**

Blessing, and honour, and glory, and power,  
be unto him that sitteth upon the throne,  
and unto the Lamb for ever and ever.  
- Revelation 5:13
